SUMMARY

I am an enthusiastic and adaptable IT professional with a strong desire to grow my skills across various areas of technology, from software development to data analysis and cloud computing. My passion for continuous learning drives me to contribute meaningfully to IT projects and initiatives, with a focus on precision and collaboration in fast-paced, innovative environments. I am excited to bring my dedication, technical aptitude, and commitment to achieving impactful results in a role where I can support and enhance the success of IT and software solutions.

WORK EXPERIENCE

Salaried Shift Manager, Burger King   **Jan 2021 - Present**

- Thrived in a fast-paced environment, demonstrating adaptability and quick decision-making skills.
- Prioritized customer satisfaction, ensuring a high standard of service and addressing customer needs promptly.
- Implemented strategies to enhance sales performance, contributing to the overall profitability of the restaurant.
